MISTRESS OF EVIL PIE POPS

Prep Time: 25 minutes
Cook Time: 10-13 minutes
Makes: 8-10 Pie Pops

1 box pre-made Pie Crust (with 2 crusts)
¼ cup Blackberry Jam
1 egg (beaten lightly)
Flour
8-10 Cake Pop Sticks
Meltable Dark Chocolate (melted per package instructions)
Black Sugar Crystals

Preheat oven to 350°. Roll out the pie dough on a floured surface. Using the attached stencil and paring knife cut 16-20 Maleficent horns. Put half on a parchment lined baking sheet. Spoon a small amount of jelly into the base of the horns. Place the cake pop stick almost to the top of the center, leaving space to crimp the edges. Brush the edges with egg wash and top with another set of horns. Crimp the edges and brush the top with egg wash. Bake for 10-13 minutes. Allow to cool. Drizzle with dark chocolate and sprinkle with sugar crystals. Serve.

Instructions:

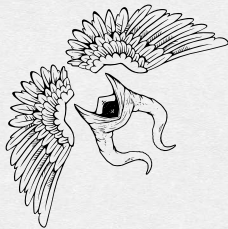

1. Measure your head where you would like the flower crown to sit.
2. Form a circle with the floral wire to the size you measured.
3. Tightly wrap the wire with the hemp twine and tie to hold in place.
4. Cut the stems of the flowers, leaving about 4" of the stems.
5. Wrap the stems around the wire one at a time and tightly secure with floral tape.
6. Fill the empty spaces by taping the leaves in in-between the flowers.
7. In a well-ventilated area, spray paint the flower crown white (to make the gold brighter) and let dry.
8. Spray the flower crown gold and let dry. Apply a second coat if necessary.

Children should seek help from an adult if they are completing this activity.

Directions

Children should seek help from an adult if they are completing this activity.

1. Cut a 6 x 12 inch piece of wrapping paper for each party cracker.
2. Lay toilet paper roll on the edge of your wrapping paper in the center of the sheet, placing a strip of hot glue to hold it in place. *(Optional: tape the cracker snap to the wrapping paper, along the full length of the sheet.)*
3. Next, roll your toilet paper roll forward so that the wrapping paper wraps around it, placing another strip of hot glue at the end to glue it closed.
4. Twist one end of your roll closed like a candy wrapper, and tie a ribbon around it in a bow to hold it in place.
5. In the open end of your roll, place your party favors inside, then twist and close the other end of the roll.
6. Cut a 3 x 6 inch piece of the scrapbook paper for each roll. Glue and wrap this around the toilet paper portion of your cracker, gluing down the same way you did the wrapping paper.
7. Use a little bit of glue to add some moss on top of each cracker, as well as glue down your butterfly.
8. Lastly, grab a few small artificial flowers and double knot your ribbon around them to hold them together like a bouquet. Then tie it more loosely around each side of your cracker, and curl the ribbons at the end.
